

TeachMeFit Calendar

Print and Post on your Refrigerator

February 2014

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
						1 Wear Red to Support Woman's Heart Health.
2 Practice a new jump rope trick for 10 minutes.	3 Eat a different vegetable for each day of this week.	4 Perform 20 repetitions of six of your favorite TeachMeFit moves.	5 Drink a glass of milk and 2 tall glasses of water throughout the day.	6 Practice a sport skill that you need to improve for 10 minutes.	7 Practice jumping rope for 10 minutes.	8 Watch two Olympic sports that are new to you.
9 Teach a family member your three favorite TeachMeFit moves.	10 See how many rope jumps you can make in 30 seconds (attempt 6 times).	11 Do the Push Up Hold for a total of 3 minutes. Take a rest as needed.	12 Do not eat any sweets.	13 Do 10 minutes of stretching.	14 Count the grams of sugar that you ate in a whole day. <i>Happy Valentines Day!</i>	15 Play outside for 60 minutes.
16 Make fruit smoothies with your family for a snack.	17 Do 5 minutes of continuous TeachMeFit moves.	18 See how many curl ups you can do in 1 minute. Repeat 2 times during the day.	19 See how long you can jump rope without a mistake (attempt 6 times).	20 Challenge a family member to a Leg holding contest. See who can hold their legs up the longest.	21 Run or walk 1 mile throughout the day.	22 Go ice skating.
23 Limit screen time to 60 minutes.	24 Practice jumping rope for 10 minutes.	25 Write down everything that you ate for the whole day.	26 Do 100 Mountain Climbers throughout the day.	27 Do an exercise video with a parent (at least 10 minutes but try for more).		

- How it works:** Students look at each daily activity and pick and perform 4-5 of the activities each week. (Of course they can do all of them)
- Parents:** Have your child circle the activities they successfully accomplish each week, while you initial the activity each day indicating they completed the challenge. At the end of the month fill out the bottom of this sheet and return the whole calendar back to Mr. DiGiovanni by no later than Tuesday, March 4th.
- Students:** Any student that successfully completes 15 of the challenges will be entered into a raffle to win NFL Fuel Up to Play 60 goodies; footballs, water bottles, pencils, pens, T-shirts, hats, lanyards, bracelets, etc. The student that accomplishes the most challenges will be eligible to receive a grand prize that includes jerseys, extra PE for your entire class.
